

Content Calendar — Watch Tips & Facts

3-Reel Short-Form Series | Task 2: Video Editing & Content Creation Internship

Reel #	Topic	Hook / Opening Line	Duration	Post Day	Platform
1	3 Watch Mistakes Everyone Makes	“You're probably wearing your watch wrong.”	~22s	Day 1	Reels / TikTok
2	How to Tell If a Watch Is Good Quality	“Here's how to spot a quality watch in 10 seconds.”	~23s	Day 3	Reels / TikTok
3	3 Watches Every Man Should Own	“3 watches that'll never go out of style.”	~24s	Day 5	Reels / TikTok

Branding consistency notes: All 3 reels use the same caption style/font, same intro logo bumper (top-left, 1-2s), and the same color grade/filter applied across the series so they read as one cohesive set rather than three unrelated videos.
